### Community Organization Displays

The Oregon Transportation Safety Conference *A History of Success – The Challenge of Zero* is seeking government agencies and community organizations working in traffic safety that are registered for the conference and are interested in having a FREE display table. Over 250 attendees are expected from traffic engineering, law enforcement, community traffic safety, child passenger safety and injury prevention. Attendees will have daily breaks in the exhibit area, breaks before and after meals, and other time to visit exhibits. Raffle tickets will be sold for door prizes provided by vendors, community organizations and others. The raffle will be held during the ACTS Oregon Annual Meeting Breakfast on Wednesday, October 13<sup>th</sup> with the proceeds going to support ACTS Oregon programs.

I would like to support ACTS Oregon. Please contact me to contribute a gift basket or item for the raffle.

Organization logos and links to web sites will be posted to the ACTS Oregon web site and included in the registration materials for attendees.

**Display Table:** 8’ table, linen, skirting, chairs, **72k wireless Internet access and electrical hook up if requested.**
